## NATIONAL TEMPUS OFFICE

National Tempus Office in Belarus has been established in the end of 2008. It acts as Bologna reform promoter and works closely with the EU Delegation in Belarus.

The staff of Belarus NTO is three people working to disseminate information about Tempus program, assist potential applicants and monitor ongoing Tempus projects. Another important our task is to support National Higher Education Reform Expert Team.

 <http://tempus.unibel.by>

NTO has launched the website [www.tempus.unibel.by](http://www.tempus.unibel.by) to support activities of our office.

We are doing our best to keep it up-to-date and you are welcome to visit it and find useful information on what Tempus in Belarus is and how our universities can benefit from this program. We are open for your suggestions and notes.
